Affairs Division regarding an incident which occurred in close proximity to the incident which is the subject matter of Plaintiff's Complaint herein. This investigation did not involve the matter alleged in Plaintiff's Complaint.

Plaintiff has sought to take the depositions of several San Jose Police Officers who provided statements to the Internal Affairs Division concerning that incident. Defendants have objected to the production of tape recorded statements, summaries of statements, the Internal Affairs report, and any testimony from San Jose Police Officers regarding the substance of their testimony to the Internal Affairs Division.

In order to resolve this dispute, the parties have agreed to submit the Internal Affairs Division report, as well as tape recorded statements of interviews, to the Court for in camera review. The parties stipulate that Defendants shall disclose only such documents and/or recorded statements to Plaintiff as are ordered produced by the discovery referral judge, Magistrate Howard R. Lloyd.

The parties further stipulate and agree that any and all personnel, Internal Affairs, investigative and other private records and statements disclosed during discovery shall be subject to review following the protective order:

> Documents and/or recorded statements produced by Defendants that contain information from Police Officer personnel files, training files, Internal Affairs files, Internal Affairs reports, or any other material personal to said Officers are considered confidential, and are to be used for the purpose the above captioned litigation only. Accordingly, the documents and/or their contents may only be disclosed by the receiving party on as needed basis and may be disclosed for the purposes of this litigation only. Confidential documents shall not be disseminated to third parties unrelated to this case and shall not be used in any other litigation, civil or criminal. Photocopies of such documents could be made as is necessary for the litigation of this case. However, such copies will also be subject to paragraph 2 below. Counsel will advise persons given access to confidential documents and/or recorded statements of the confidentiality of said documents and/or statements.

2	settlement, all such confidential documents and/or statements shall be	
3	returned to the producing party.	
4	3. The parties shall apply Civil Local Rule 79-5 if they wish to file any of the confidential documents and / or statements under seal.
